USD per person

From Pasture to Water

Playa Garza, Nosara, Costa Rica. Paddle through Garza River mangroves and estuary leading to Garza Bay.

Farm Tour

Slow down and reconnect with the living world. Meet our farm animals with your guide, discover responsible animal care and explore how thoughtful farming and habitat restoration help nature thrive. A grounded, personal experience beyond Nosara's beaches.

Kayak Tour

Trade the rush for the rhythm of the river. Paddle with your guide through mangrove-lined waterways and the Garza estuary toward Garza Bay. Look for birds, learn why mangroves matter and experience the connection between farm, forest and coast.
